- Bubble the first 3 columns of the NAME field with the letters K, E, and Y. You may print (and bubble) other descriptors in this field, but the **first three columns must be bubbled as K, E, Y.**
- Identifier Letter:** If you are submitting only one scoring key, print the letter **A** in either the **5th column** of the NAME field, or in the **top margin**. **If you are submitting more than one batch of exams at a time, print B on the second scoring key, C on the third, and so forth.**
- In columns H, I, and J of the IDENTIFICATION NUMBER field, bubble the number of test items as a 3-digit number.
- Bubble the correct response for each item. **Only one correct response per item is allowed.** If more than one correct response exists, only two options are available:
  - Bubbling ALL responses results in ALL students earning credit for that item.
  - Bubbling NO responses results in NO student earning credit for that item.
- Keep these marks free of writing, dirt, rips, and holes.
