

Session 1 Final Exams

For a final examination at the end of Session 1 in either Autumn or Spring Semester, please consider one of the following options:

1. A final exam at the regularly scheduled class time on the last day that the class would have regularly met during the Session 1 final exam days, so as to allow for at least one reading day between the last day of instruction and the exam. **Note that the additional class time in a Session meeting pattern may make it easier to offer a final exam during a regular class meeting.**
2. An **evening** final exam on the last day that the class would have regularly met during the Session 1 final exam days, or soon thereafter, so as to allow for at least one reading day between the last day of instruction and the exam. **Room scheduling arrangements must be made in advance through the Office of the University Registrar.**

The following tables represent first session final exam option #1, as described above.
