Ohio Stadium

Listed in the National Register of Historic Places, Ohio Stadium has been the home of intercollegiate football at The Ohio State University since its dedication in 1922.

While the ideals of athletic excellence are certainly among the requisites of a comprehensive education, the values and dimensions of the land-grant university are most clearly reflected at the Spring Commencement Convocation held in Ohio Stadium each June. The quarterly Commencement ceremonies, more than any other event that takes place on campus, symbolize the opportunities the University offers for growth and achievement in every field of endeavor.

Although most famous for intercollegiate athletics, Ohio Stadium has been used for many other activities. In years past, religious rallies and war bond drives were held there. More recently, Ohio Stadium was the home of Stadium Theatre (for 19 years) and was the site of the University's Disaster Research Center.

Today the stadium is used for recreation, intramural activities, state high school athletic tournaments, and marching band practice. The west side of the stadium houses the residents of Stadium Scholarship Dormitory, while offices on the east side are used for research. Several student clubs have headquarters in the south towers.

The sketch shown on the front cover of the program was done by Paul Morrill, retired associate University architect. It is used with the courtesy of the artist.

Alma Mater — Carmen Ohio
Graduates and Guests led by
Diane Marie Fares
Class of 1979

Oh! come let’s sing Ohio’s praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,
With joy which death alone can still.
Summer’s heat or Winter’s cold,
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship — Ohio.

Unofficial Graduate Listing
While every effort is made to ensure accuracy in this Commencement Program, printing deadlines sometimes prevent inclusion of graduates' names, or may result in use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's Official Registry for Conferral of Degrees is the student's permanent academic record, kept by the Office of Registration, Records, and Scheduling, 320 Lincoln Tower, 1800 Cannon Drive, Columbus, Ohio 43210.

Welcome to new Alumni Association members

We extend to you a congratulatory year’s free membership in the Alumni Association. Included is a year’s subscription to our award-winning alumni magazine, The Monthly. Devoted to the task of helping you keep in touch with our exciting pursuit of human excellence, the alumni magazine will also help you maintain an update on your friends and colleagues.

You may not notice the difference. But today, along with hundreds of your colleagues, you’ve become an alumnus. You don’t look different, but right now you may be experiencing a feeling of excitement, anticipation, and a great desire to celebrate. For you, one era has passed; another is about to begin.

From the six alumni who experienced the first Commencement in 1878 to the thousands who make up today’s Ohio State University Alumni Association, our organized efforts have galvanized energies, ideas, and enthusiasm into greater good for Alma Mater.

As an alumnus, you are a member of the Buckeye family and a partner in the enterprise, carrying the reputation of Ohio State through your activities and accomplishments. You exemplify the fruits of a good education: a critical mind, a discerning spirit, higher values, a sense of commitment, and the privilege of service.

Today, and later, you may ask what you can do for the University. There seems to be general agreement on four areas where alumni can provide significant assistance: recruiting of new and highly qualified students; representing Ohio State well through personal and occupational achievements; participating financially through the Development Fund; and working in an advisory capacity with the University to improve itself and its programs to better prepare today’s students for tomorrow’s citizenship.

To you, your families, friends, and those others who helped you arrive here today go our congratulations. You are joining a great family of Ohio State alumni working together to make a difference.

The Academic Costume

The colorful ceremonies of The Ohio State University Commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor-length capes with attached hoods a necessity for warmth. Probably because of the costumes' religious heritage, they remained drab until the universities gradually began to pass from the control of the Church, whereupon some aspects of the costumes took on brighter hues. However, old prints and engravings reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of our nation's strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all institutions. Originally round, the shape of the cap is now the more familiar mortarboard square — a shape which ballad folklore suggests resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress which might indicate rank or social strata. The hood, reserved at The Ohio State University for those receiving doctor's degrees, not only indicates the type of degree, but also is lined with the official colors of the University.

The Gown

Bachelor  Black, full cut with long pointed sleeves.
Master  Black, long or short sleeves with arc-shaped panel extended for each sleeve.
Doctor  Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

The Hood

Bachelor  Three feet in length with a two-inch-wide velvet.*
Master  Three and one-half feet in length with a three-inch-wide velvet.*
Doctor  Four feet in length with a five-inch-wide velvet and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet indicates the field in which the doctoral was granted:
