POMP, CIRCUMSTANCE,
AND OTHER SONGS OF A LIFETIME
—by Professor David Citino, 1947–2005, Late University Poet Laureate
(Originally presented as the 2000 Winter Commencement address)

If you're like me, you've got a big head,
not to mention a funny robe, full of music—
poems and melodies, the tunes
we move to, shower and shave by,
study, write to. Not just the Incidental,
but the momentous music keeping time.
Our histories are measures of song.
Listen to your heart: drums of Africa,
sea-spume of Blind, far-sighted Homer,
Sappho's honeyed love lyrics. Often,
music speaks for us, one note saying
a thousand words. Like Rodolfo
in Puccini's La Bohème, Sono un poeta.
I am a poet. Che cosa faccio? What
do I do? Scivo, I write. This ceremony
is loud music—pomp and circumstance
of the life you begun freshman year
or that first day of graduate school.
In my head I press Play, and the CD
of Big Days kicks on. I leap and linger
over moments too sweet, nearly, for words.
I'll never escape rhymes from the nursery.
Up above the world so high, like a diamond
in the sky. We knew from the start
our universe was aglow with wonder.

Italian, Latin, English songs in nasal accents
of Cleveland. Gaudeamus igitur, Juvenes
dum sumus. So, let us rejoice, while
we are young. Youth is that gift we can't
comprehend while we're young. This ceremony
means you all are less young than you were.
Don't let the heavy knowledge gained
from your studies deprive you of the gifts
of youth, to be able to rejoice at the drop
of a hat, to care for, be moved by others.

Now I hear golden hits of five decades.
Big Mama Thornton, and that so-called King
(King of what, fried butter sandwiches?)
who stole away her hound dog. You ain't
never killed a rabbit, you ain't no friend
of mine. As with those profs and TAs,
course after course, you had to produce—
kill some rabbits—to earn respect.
And at times OSU may have seemed
like Heartbreak Hotel, down at the end
of Lonely Street, so difficult was it
to do your best. Tennessee Ernie Ford,
"Sixteen Tons": St. Peter don't you
call me 'Cause I can't go. I owe
my soul to the company store.

You have been digging deep in mines
of knowledge. We all owe our souls
to Ohio State, company store of learning,
shared experience—precious ore
we have in common forever.

Now I hear Domenico Modugno's
fervent urging to wish, sing, fly,
Volare, Wo-o. Cantare, Wo-o-o-o.
My grandfather was a peasant farmer,
a contadino in Calabria in the toe
of Italy. He knew it's the human lot
to dream of flying. Lucky, lucky,
lucky me, I'm a lucky son-of-a-gun.
I work eight hours, I sleep eight hours,
That leaves eight hours for fun.

Hey! He sailed in steerage across
the Atlantic, came to Cleveland, where
he stayed long enough to work 52 years
for the B&O Railroad, before lying down
to rest in good Ohio soil. So many of us
here today came from elsewhere,
or ancestors did. From Tennessee, Italy,
Africa, Asia, Appalachia—even,
President Kirwan, the wilds of Kentucky
and Maryland. Women and men with backs
supple as birch trunks. The courage
it took to pick up stakes and begin again
in a new world! Think of the work
those older ones did. For you. You all
are facing a change right now.

This sheepskin is your passport.
You're bound for emigration to
the next song of your life. Ohio State
is the ark on which you've been sailing.
You've been the precious cargo.

But, as Noah once said, I can see
clearly now the rain is gone. The ark,
our university, was filled to overflowing
with the diversity of us. Diversity.
Networks and talk shows devalue the word.

Ohio! Come let’s sing Ohio’s praise,
And songs to Alma Mater raise:
While our hearts rebounding thrill,
With joy which death alone can still.
Summer’s heat or Winter’s cold,
The seasons pass, the years will roll.
Time and change will surely show
How firm thy friendship—Ohio.

COMMENCEMENT ADDRESS

Archie Griffin

Buckeye football legend Archie Griffin has devoted his professional career to serving The Ohio State University and its half million alumni. As president and CEO of the Ohio State Alumni Association and senior vice president for alumni relations, Mr. Griffin’s goal is to make it possible for all alumni to stay connected with and strengthen the university.

Mr. Griffin is the only two-time winner of the prestigious Heisman Trophy. A three-time All-American, the former running back is included in the NCAA's 100 Most Influential Student-Athletes. He is a member of the National Football Foundation & College Hall of Fame board of directors and is in its Hall of Fame and the Rose Bowl Hall of Fame.

In 2014, Mr. Griffin was honored as All-Century Player by the Tournament of Roses Association in celebration of the 100th anniversary of the Rose Bowl game. He played in four consecutive Rose Bowl games under legendary coach Woody Hayes, who once said of Mr. Griffin: “He’s a better young man than he is a football player, and he’s the best football player I’ve ever seen.”

Mr. Griffin earned his undergraduate degree in industrial relations from Ohio State in 1976. He was a first-round draft choice of the Cincinnati Bengals, where he served as co-captain and played with the franchise for seven years. He returned to Ohio State in 1984 and rose to become associate director of athletics for sports. He joined the Alumni Association in 2004.

With a commitment to paying forward, Mr. Griffin created the Archie Griffin Scholarship Fund, which benefits Ohio State's Olympic sports programs. He and his wife, Bonita, formed the Archie and Bonita Griffin Foundation Fund to help develop sports, educational and travel programs for youth in central Ohio. A sought-after speaker and humanitarian, he also serves on many boards and foundations.

RECIPIENTS OF HONORS

Michael J. Apuzzo

DOCTOR OF SCIENCE

One of the world's most-renowned neurosurgeons, Michael L. J. Apuzzo has made countless discoveries that have helped redefine the field of neurosurgery.

A native of New Haven, Connecticut, Dr. Apuzzo received his undergraduate education at Yale College, his medical education at Boston University and general surgical training at McGill University’s Royal Victoria Hospital in Montreal.

Upon completing his neurosurgery residencies at Yale, Dr. Apuzzo served in the United States Navy's Nuclear Submarine Service. During this time, he created a detailed protocol for recognizing and managing neurological emergencies during clandestine patrols and received special recognition for his service from the United States Surgeon General and the Atlantic Fleet Admiral. This experience influenced his perspective on using novel technologies to solve neurosurgical problems, which became a central theme in his career.

Subsequently, he pioneered the establishment of minimally invasive strategies in neurosurgery, in particular endoscopy, focused beam radiation and imaging guided navigation as well as the use of computers and microscopes as essential neurosurgical tools. These methods were later adopted by other surgical disciplines. He devised innovative methods for removing brain tumors previously believed to be inoperable. He both envisioned and established the amalgam of cellular and molecular biology and nanotechnology within the neurosurgical field. He identified and later defined the important emerging area of functional restoration in the era of modern technologies such as robotics, stem cell, grafting and modulation.

A prolific scholar, Dr. Apuzzo has shared his ideas and findings in three seminal textbooks, 12 monographs and more than 700 other individual works. He has served on more than 25 editorial boards and as a highly innovative editor-in-chief for two flagship journals in his discipline over a 24-year period.

With a passion for competitive sports, Dr. Apuzzo has acted as the primary neurological consultant for both the New York Football Giants and the University of Southern California Athletics Department. As a special consultant, he also helped create protective protocols for the NCAA and NFL related to cerebral concussions.

Today, Dr. Apuzzo holds many appointments, including the Edwin M. Todd/Trent H. Wells Professor of Neurological Surgery, Radiation Oncology, Biology and Physics at the University of Southern California Keck School of Medicine.
RECIPIENTS OF HONORS

David Lang
DOCTOR OF MUSIC

Among the most performed contemporary American composers, Dr. David Lang has achieved international recognition for the fierce energy and intelligence of his compositions.

He began his career as a composer after earning degrees from the University of Iowa, Stanford University and Yale University. His extensive catalog of music — described as ominous and ethereal, hypnotic and unsettling — includes works for nearly every genre and instrumentation. Renowned performing arts organizations around the world have presented his work, including the Santa Fe Opera, the Nederlands Dans Theater, the Los Angeles Philharmonic and the Paris Opera Ballet.

In 2008, Dr. Lang received the Pulitzer Prize for Music for his critically acclaimed the little match girl passion, co-commissioned by Carnegie Hall in New York and the Perth Theatre and Concert Hall in Scotland. For his groundbreaking work, Dr. Lang has received many other honors, including the Richard and Barbara Debs Composer’s Chair at Carnegie Hall, Musical America’s Composer of the Year Award, a Grammy Award for Best Small Ensemble Performance, the Doris Duke Performing Artist Award and the International Society for the Performing Arts’ Distinguished Artist Award.

He also has received numerous grants and fellowships from some of the most prominent foundations in the United States, including the Solomon R. Guggenheim Foundation, the Foundation for Contemporary Arts, the National Endowment for the Arts, the New York Foundation for the Arts and the American Academy of Arts and Letters. The French government also named Dr. Lang a chevalier in the Ordre des Arts et des Lettres. In 2014 he was elected into the American Academy of Arts and Letters.

Dr. Lang is a well-respected educator and advocate for new music. He is the co-founder and co-artistic director of New York’s famous music festival Bang on a Can. Additionally, he is a professor of music composition with the Yale School of Music.

Kathleen Gilligan Sebelius
DOCTOR OF PUBLIC SERVICE

With an innate calling to serve others, Kathleen Gilligan Sebelius has dedicated her professional career to elevating the quality of life for countless Americans.

Most notably, she was twice elected governor of Kansas, followed by an appointment to President Barack Obama’s Cabinet as Secretary of the U.S. Department of Health and Human Services. In that role, Gov. Sebelius shaped and implemented the president’s signature legislative effort to reform the nation’s health care.

Born in Cincinnati, Ohio, Gov. Sebelius is the daughter of former Ohio governor, John Gilligan. She is the only governor’s daughter ever to earn that same title in American history. During her first term, which began in 2003, Gov. Sebelius became known for her ability to effectively partner with legislators from both parties. She also eliminated a $11 billion state budget deficit while championing education spending.

In 2005, Time magazine highlighted her as one of the nation’s top five governors. A rising political figure, Gov. Sebelius delivered the official party response to the 2008 State of the Union address, cementing her credibility among lawmakers.

Transitioning from state government to supporting the White House in 2009, Gov. Sebelius’ expertise in health policy steered a variety of initiatives during her time with Health and Human Services, including the passage and implementation of the Affordable Care Act. She exhibited leadership in women’s health issues, tobacco control, prevention of chronic diseases and mental health parity. She was also responsible for the nation’s response to natural disasters and emerging epidemics, including the 2010 Haiti earthquake and the H1N1 flu outbreak.

In recognition of the weight of these duties, Gov. Sebelius was named one of “The World’s 100 Most Powerful Women” by Forbes in 2013. She stepped down from Health and Human Services in summer 2014.

Gov. Sebelius earned her undergraduate degree from Trinity Washington University and a graduate degree in public administration from the University of Kansas.
RECIPIENTS OF HONORS

Jameson Crane
Distinguished Service Award

For nearly seven decades, Jameson Crane has been an engaged partner of The Ohio State University, inspiring generations of Crane family members to follow his example as a philanthropic leader. His relationship with the university began in the 1940s when, after serving in the U.S. Navy during World War II, he used the GI Bill to enroll at Ohio State.

In 1947, following three years on the Buckeye football team, he earned his undergraduate degree in business administration. He then forged a distinguished career with the Plastics Division of Columbus Coated Fabrics Corp. before joining Crane Plastics in 1960. Today, he is chairman emeritus of the Crane Group, a private holding and management company in Columbus.

Along with his family and late wife, Ann, Mr. Crane has provided significant support for academic programs, scholarships and building projects at Ohio State. He has helped make possible the Crane Study Table at the Younkin Success Center, the Crane Designated Professorship of Strategic Marketing and the Jameson Crane MBA Fellowship.

The Cranes also established three vital centers: the Crane Center for Early Childhood Research and Policy, the Loann Crane Advanced Language Institute and the Jameson Crane Sports Medicine Institute, which will be the nation's largest sports medicine facility.

Mr. Crane has been a member of the Ohio State President's Club since 1972. He also served on the Foundation Board of Directors from 1991 to 2002 and participated in the planning and execution of the Affirm Thy Friendship Campaign, which raised $1.23 billion for the university.

An active member of the Columbus community, Mr. Crane has served as president of the Columbus Club and Columbus School for Girls boards. He also served for more than 25 years as a director of Bank One Corp.

Nancy L. Zimpher
Distinguished Service Award

A three-time graduate of The Ohio State University, Dr. Nancy L. Zimpher is a nationally recognized leader in higher education administration with a commitment to teacher preparation, urban education and university-community engagement.

After earning her undergraduate, graduate and doctoral degrees at Ohio State, Dr. Zimpher devoted more than two decades of service to the university’s College of Education. For 14 years, she was a faculty member in the School of Educational Policy and Leadership and held several vital positions before becoming dean of the College of Education in 1993 and executive dean of the professional colleges in 1994.

As dean, Dr. Zimpher successfully reorganized the College of Education into three schools and transitioned the teacher preparation programs from undergraduate to graduate level. This dramatic change led to higher admission standards, stronger placement records and heightened visibility for the college.

She was instrumental in the creation of Ohio State's first Academic Plan, the formation of the Younkin Success Center and the establishment of Campus Partners and its activities related to the university’s development work with the city of Columbus. She also served on many University Senate and ad hoc committees, most notably the Senate Fiscal and Provost Search committees.

Since leaving Ohio State in 1998, Dr. Zimpher has become the first woman to serve as chancellor of the University of Wisconsin-Milwaukee, president of the University of Cincinnati and as the current chancellor of the State University of New York — the nation’s largest comprehensive system of higher education.

She is the co-founder of Strive Together in Cincinnati, a national model for fostering collaborations between universities and communities to promote student success throughout the education continuum. She remains active in numerous other organizations, including the National Association of System Heads and the American Council on Education. She also has chaired boards for the Coalition of Urban Serving Universities, CEOs for Cities and the NCAA.

The colorful ceremonies of The Ohio State University commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drayf buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably influenced the staid character of the caps and gowns.

As the control of the universities gradually passed from the church, some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day. In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square—a shape which, according to ballad folklore, resembles a scholar's hat. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship, for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral and master's degrees, not only indicates the type of degree, but also is lined with the official colors of the university.

The Gown

**Bachelor:** The bachelor gown is black, full cut with long pointed sleeves.

**Master:** The master gown is black, long or short sleeves, with an arc-shaped panel extended for each sleeve.

**Doctor:** The Ohio State University Doctor of Philosophy gown is scarlet with gray velvet panels on the front and three velvet bars on each sleeve. Other doctor gowns are black with velvet panels and bars, the color of which is distinctive of the field of study.

Honors Emblem

The Ohio State University honors emblem is a scarlet and gray tasseled braid worn over the gown. Students eligible for this curricular honor are those graduating summa cum laude, magna cum laude, cum laude, with distinction and with honors.

The Hood

**Bachelor:** Three feet long with a two-inch-wide velvet edging.*

**Master:** Three and one-half feet long with a three-inch-wide velvet edging.

**Doctor:** Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study.

* Not usually worn by candidates for a degree.

In the case of inclement weather, every effort will be made to hold commencement as planned. Commencement will take place in Ohio Stadium, unless weather conditions are dangerous or severe, in which case the ceremony will be canceled. No indoor facility on campus can accommodate the graduating class and their guests.

On commencement day, Ohio State officials will be in continuous contact with the National Weather Service to monitor approaching weather. If it is feasible to delay the start of the ceremony and wait for clearing or less severe weather, the start of the ceremony may be delayed up to one hour. Should this happen, any changes will be announced on-site to graduates and guests. Graduates will remain in the assembly locations; guests are asked to remain in protected areas of Ohio Stadium. Your patience and cooperation will help facilitate this plan.

In case of cancellation

If it is determined that severe weather will not permit us to hold commencement, the ceremony will be canceled. Once cancellation has been announced, graduates should report to the following locations one hour after cancellation to receive their diplomas.

It is strongly advised that graduates and guests prearrange a meeting place in case the ceremony is canceled. Guests should not go to French Field House or RPAC where most diplomas will be distributed to graduates. St. John Arena and various locations on West Lane Avenue are some suggested meeting sites.

Diplomas will remain in the following locations until 4 p.m. on commencement day. Diplomas not picked up by 4 p.m. will be taken to the Student Service Center (SSC) on the first floor of the Student Academic Services (SAS) building, 281 West Lane Avenue. Diplomas will be available for pick-up there between 9 a.m. and 4 p.m., May 11-15. If a graduate's diploma remains unclaimed after May 15, it will be mailed to the permanent address on record within two to four weeks of commencement. Graduates can verify/change their mailing addresses by navigating to the BuckeyeLink website at buckeyelink.osu.edu. Click on “My Student Center,” then scroll down to the “Personal Information” section to view the address. Click on the “Permanent Address” hyperlink if there is a need to edit it.

I say, rather, the richness of us, the precious difference, the grand multiplicity of selves that balance this globe and enable it to spin true. Grandson of peasant immigrants, I was given the opportunity to earn a doctorate in English literature from Ohio State—because my family labored long nights around the kitchen table trying to learn this arduous English. I sat where you’re sitting twenty-six years ago.

Bob Dylan and Smokey Robinson got me through. Yes, it took a prophet and a miracle! My son earned an OSU Ph.D. in history. Now you, graduates, are being honored—by degrees. We’ve all come together around the kitchen table of Ohio State. Ohio, Round on the ends and high in the middle. For the years to come we’ll sing together, Beautiful Ohio,

in dreams again I see, Visions of what used to be. These psalms, sacred thoughts of our tribes, 78’s and 33’s, tapes, CD’s—they take up space in shelves of our skulls, our hearts. They remind us we want a song beyond the run-of-the-mill thrill, the moment throbbing with pleasure or bathed in the blues. We ache for something grander than pure selfishness. Songs sung for one alone are not true music. Arias shared are music of the spheres, ways of saying to another something from the soul.

Of course the Buckeye Battle Cry is there. Drive, drive on down the field, Men (and women!) of the Scarlet and Gray. Well, you drove on down the field, and you drove up and down the streets, around and around crowded lots, looking for a place to park,

and you searched our dark, ancient library for a decent place to study. My wife, Mary’s, father marched in the first “Script Ohio,” in 1936. He’s here today with us, blowing his horn, I can’t help but feel as is the sweet mother I lost last year, the one who gave me the stars. Today’s music makes us think of the debts we owe, and never can repay. So many of us would not be here were it not for the lullabies and songs of dear parents, their parents, theirs. Some are here today in the flesh. Many are not. We mourn them with echoes of our hearts. Think how many people sang before us, gave us a name, a voice, taught us the right words. We must cherish them by remembering every song. When we sing to others, we honor our fathers and mothers, thank them for this day of profound scarlet and gray pomp and circumstance. O, come let’s sing Ohio’s praise, And songs to Alma Mater raise. Alma mater. Ohio State is our sweet, nurturing mother.

We came of age here, with her help. Well, Mother, we love you, but, like, it’s time we moved out, got a piece of our own. You’re standing there, Mom, gray hair, eyes scarlet from crying. We won’t forget you. Now, even though this ceremony means we’re being weaned, taken off the nipple, let’s take care to cherish her all our days. Let’s remember the words to the songs she taught us, and pass them on. We’ll remember always, Graduation Day. Summer’s heat, and winter’s cold. The seasons pass, the years will roll, Time and change will surely show How firm thy friendship, O-hi-O. We call that little number Carmen Ohio. Carmen means song in Latin. You’ve worked hard; she is your reward; today is your reward.

You’re filled to overflowing with the notes, the poems we’ve written together. You know the score. Continue to work hard for yourselves, and one another. Find the ones who need you to sing to, for them, in the world. Graduates, this joyful litany, this hymn our ancestors collaborated on with us, the calling of your name today is music to our ears. Sing that name proudly all your days, as if your life depended on it. It does, you know. It has been an honor for me to speak—and sing—to you today. Thank you, graduates, and, again, Congratulations.
