Alma Mater — Carmen Ohio
Graduates and guests led by
Robert E. Potts
Assistant Professor
Biomedical Communications Division

Ohi come let's sing Ohi's praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,
With joy which death alone can still.
Summer's heat and Winter's cold,
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship — Ohio.

be broadcast on WOSU-TV, Channel 34,
at 5:30 p.m. today.
Wayne Woodrow Hayes
Doctor of Humanities

Educator. Philanthropist. Scholar. Motivator. Humanitarian. Woody Hayes has worn many hats, in addition to his coach's cap with its familiar Block O. And since leaving the coaching field, it takes no more than the drop of a hat to convince him to address a group, participate in a charity drive, or promote the importance of hard work in the classroom, as well as on the practice field. Hayes' dedication to these many causes is evidenced by a relentless demand for his services.

His accomplishments during 28 years as head football coach at Ohio State are well known: an overall record of 205 wins, 61 losses, and 10 ties—a winning percentage of .760; a Big Ten record of 152-37-7; 21 seasons in which Ohio State led the nation in attendance per home game; College Coach of the Year in 1957 and 1975; coach to three Heisman Trophy winners and 56 first-team All-Americans; three national championships; 13 Big Ten championships; and 11 bowl games.

His tireless drive for excellence, especially among young people, has always been evident not only on the field, but off the field as well. His current community involvements show that he is honorary chair of the Heinzerling Foundation's fund-raising efforts, honorary co-chair of the Celebrity Walters Lunch to benefit Recreation Unlimited, and chair of the Woody Hayes Sports Spectacular to benefit Children's Hospital. He is a strong supporter of the University's cancer research programs. Last year, gifts made in his honor were used to establish the Woody Hayes Cancer Fund in the College of Medicine.

Hayes earned his bachelor's degree in English and history at Denison University and later earned an M.A. in education administration from Ohio State. He is well known for his analyses of military history, has written three books, and taught at the undergraduate and graduate levels. Hayes lectured at Harvard University in 1982 in a program commemorating the 100th anniversary of the death of Ralph Waldo Emerson. In 1979, he was named head coach and professor emeritus of health, physical education, and recreation.

The recognitions received by Woody Hayes during his career also pay tribute to his wide-ranging interests. He was elected to the National Football Foundation and Hall of Fame in 1983 and is a member of the Ohio High School Football Coaches Association Hall of Fame. He received the Ohio Governor's Award in 1976 and an honorary degree from Rio Grande College in 1983. Ohio State honored him with a Distinguished Service Award in 1982, and he received the Alumni Citizenship Award from the University's Alumni Association in 1983.

Recently, he was the recipient of the 1986 American College Football Association's prestigious Amos Alonzo Stagg Trophy for his contributions to athletics and community service.

The University that Coach Hayes served for so many years is proud to recognize his dedication to excellence and his devotion to fellow citizens with the honorary degree, Doctor of Humanities.
Congratulations on receiving your degree. You may not notice the difference, but today, along with hundreds of your colleagues, you've become an alumnus. For you, one era has passed; another is about to begin.

You are a member of the Buckeye family and partner in the enterprise, carrying the reputation of Ohio State through your activities and accomplishments. You exemplify the fruits of a good education: a critical mind, a discerning spirit, higher values, a sense of commitment, and the privilege of service.

You can assist the University in many ways. You can recruit new and highly qualified students. You can represent Ohio State well through personal and occupational achievements. You can participate financially through the Development Fund. And you can work in an advisory capacity with the University to improve itself and its programs to better prepare today's students for tomorrow's citizenship.

We extend a year's complimentary membership in the Alumni Association. Included is a year's subscription to the OSU/Alumni Magazine, which will keep you informed of the University's continuing pursuit of excellence and help you keep in touch with your friends and classmates.

To you, your family, friends, and those others who helped you arrive here today go our best wishes. You are joining a great family of Ohio State alumni working together to make a difference around the world.

Cordially,

Robert S. Dorsey

The Academic Costume

The colorful ceremonies of The Ohio State University Commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably influenced the staid character of the caps and gowns.

As the control of the universities gradually passed from the church, some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns, and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square—a shape which, according to ballad folklore, resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral degrees, not only indicates the type of degree, but also is lined with the official colors of the University.

The Gown

Bachelor. Black, full cut with long pointed sleeves.
Master. Black, long or short sleeves with arc-shaped panel extended for each sleeve.
Doctor. Black with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

The Hood

Bachelor. Three feet long with a two-inch-wide velvet edging.*
Master. Three and one-half feet long with a three-inch-wide velvet edging.*
Doctor. Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study:

Dentistry: Lilac
Law: Purple
Medicine: Green
Musical Arts: Pink
Optometry: Sea-foam Green
Pharmacy: Olive Green
Philosophy: Dark Blue
Veterinary Medicine: Gray

*Not usually worn by candidates for a degree.

Cap and Tassel

Candidates for degrees at The Ohio State University wear the black mortarboard with a tassel whose color is distinctive of the degree being received. The tassel colors are as follows:

Graduate School: Black
Colleges of the Arts and Sciences: White
College of the Arts (B.A., B.S.I.D.): Brown
[Others]: Pink
School of Music (B.A.): White
[Others]: White
College of Biomedical Sciences: White
College of Humanities: White
College of Mathematical and Physical Sciences: White
College of Social and Behavioral Sciences: White
School of Journalism: Drab
College of Administrative Science: Crimson
School of Public Administration: Peacock Blue
College of Agriculture: Maize
School of Natural Resources: Blue-Green
College of Dentistry: Lilac
College of Education: Light Blue
School of Health, Physical Education, and Recreation: Sage Green
College of Engineering: Orange
School of Architecture: Blue-Violet
College of Home Economics: Maroon
College of Law: Purple
College of Medicine: Green
School of Allied Medical Professions: Green
College of Nursing: Apricot
College of Optometry: Sea-foam Green
College of Pharmacy: Olive Green
College of Social Work: Citron
College of Veterinary Medicine: Gray

The gold tassel is worn frequently by those holding the doctoral degree and by college and University administrative officers.
