Alma Mater—Carmen Ohio
Graduates and guests led by
Donna Lynne Janusko
Class of 1990

Oh! come let's sing Ohio's praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,
With joy which death alone can still.
Summer's heat or Winter's cold,
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—Ohio.

Leonard L. Haynes III  
Doctor of Laws

Leonard L. Haynes III is the United States spokesperson for issues affecting the nation's institutions of higher learning. Named by President Bush as assistant secretary for postsecondary education in the U.S. Department of Education, he oversees numerous financial aid, institutional aid, and international education programs.

A native of Boston, Haynes graduated in 1968 from Southern University in Louisiana with a bachelor's degree in history and completed his master's degree in American history a year later at Carnegie-Mellon University. He received his doctoral degree in higher education administration from The Ohio State University in 1975.

He has held faculty positions at Southern University-Baton Rouge, Urbana Senior High School in Illinois, The Ohio State University, and Howard University.

Haynes brings wide-ranging experience in the administrative field. He has served as assistant superintendent of the Office of Academic Programs in the Louisiana Department of Education, as executive vice president and system vice president for academic affairs at the Southern University System in Louisiana, as director of the Office for the Advancement of University and Land Grant Colleges, and as director of the Desegregation Policy Studies Unit at the Institute for Services to Education.

During his tenure at Ohio State from 1974 to 1976, Haynes served as a staff assistant in the president's office and assistant to the provost and coordinator for the Committee on Academic Misconduct.

Haynes has written extensively on higher education desegregation and related issues. His work has been published in both professional journals and in other media, and his opinions have been sought by organizations nationwide.

His breadth of knowledge and level of commitment to his field have distinguished Haynes as a leader in one of our country's most critical areas—the education of our future leaders.
Congratulations and Welcome to the Alumni Association

Congratulations on receiving your degree. You may not notice the difference, but today, along with hundreds of your colleagues, you’ve become an alumnus. For you, one era has passed, another is about to begin.

The Academic Costume

The colorful ceremonies of The Ohio State University Commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably influenced the staid character of the caps and gowns.

As the control of the universities gradually passed from the church, some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In the light of our nation’s English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns, and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square—a shape which, according to ballad folklore, resembles a scholar’s book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral degrees, not only indicates the type of degree, but also is lined with the official colors of the University.

The Gown

Bachelor. Black, full cut with long pointed sleeves.
Master. Black, long or short sleeves with a re-shaped panel extended for each sleeve.
Doctor. Black with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

The Hood

Bachelor. Three feet long with a two-inch-wide velvet edging.*
Master. Three and one-half feet long with a three-inch-wide velvet edging.*
Doctor. Four feet in length with a five-inch-wide velvet edging and panel at the sides.

* Not usually worn by candidates for a degree.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study:

- Dentistry: Lilac
- Law: Purple
- Medicine: Green
- Musical Arts: Pink
- Optometry: Sea-foam Green
- Pharmacy: Olive Green
- Philosophy: Dark Blue
- Veterinary Medicine: Gray

Cap and Tassel

Candidates for degrees at The Ohio State University wear the black mortarboard with a tassel whose color is distinctive of the degree being received. The tassel colors are as follows:

- Graduate School: Black
- Colleges of the Arts and Sciences:
  - College of the Arts (B.A., B.S.I.D.): White
  - (Others): Brown
  - School of Music (B.A.):
