

TUITION AND FEE TABLES FOR UNDERGRADUATE STUDENTS

Cohort Tuition Guarantee 2023 (TG23) | Autumn 2022 and Spring 2023

Below are the Autumn 2022 and Spring 2023 Student Fee Schedules for students granted the [Tuition Guarantee](#) as first year students in the 2023 academic year or students who started Summer 2022, Autumn 2022 or Spring 2023.

The Tuition Guarantee applies to instructional, general, student activity, student union, recreational and COTA fees for each entering class of first-year Ohio resident students. The Tuition Guarantee does not apply to the non-resident surcharge, international surcharge, or program/technology/course fees. After completion of four academic years, students will be charged the next guaranteed rate.

This document's fee tables apply only to Undergraduate Students who began their academic career in the 2023 cohort. For other cohorts, or students not in a tuition guarantee group, select the correct table from the [Student Tuition and Fee Table](#) webpage.

Not all fees are represented on the fee table. See [Fees Explanation](#) for additional fees that may apply.

Fee Tables Selection

Fees are determined by program type and/or mode of instruction. To qualify for Distance Learning or For-credit Online Degree fees, not one class/lecture can be on campus. For example, if a student is in a Distance Learning program and one class/lecture is on campus, they will be charged On-campus fees.

Each fee table contains three columns: one for one-time semester fees and one for per credit hour fees (these fees must be multiplied by the number credit hours taken).

On-campus Fees Table

Any student that attends **AT LEAST ONE** class/lecture on campus will be charged fees based on the On-campus Fee Tables:
