

Degree Audit and Accessibility

The Degree Audit Self-Service application is not fully accessible to individuals who rely on screen readers or the keyboard alone to access their computers. If you need a copy of your degree audit, please follow the instructions below:

1. Contact your academic advisor in your college to request either a PDF version of your audit, or a plain text version (for screen readers), to be sent to you via email. Please allow 1-2 business days for this request to be fulfilled.
2. If you cannot reach your advisor, or your college office, please contact the University Registrar's office at degreeaudit@osu.edu to request the PDF or plain text version of the audit. You will receive a response from the Degree Audit staff within one business day.
