The Academic Costume

The colorful ceremonies of The Ohio State University Commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor-length capes with attached hoods a necessity for warmth. Probably because of the costumes' religious heritage, they remained largely drab until the universities gradually began to pass from the control of the Church, whereupon some aspects of the costumes took on brighter hues. However, old prints and engravings reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of our nation's strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all institutions. Originally round, the shape of the cap is now the more familiar mortarboard square—a shape which ballad folklore suggests resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress which might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctor's degrees, not only indicates the type of degree, but is lined with the official colors of the University.

THE GOWN

Bachelor
Black, full cut with long pointed sleeves.

Master
Black, long or short sleeves with arc-shaped panel extended for each sleeve.

Doctor
Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

THE HOOD

Bachelor
Three feet in length with a two-inch wide velvet.*

Master
Threes and one-half feet in length with a three-inch wide velvet.*

Doctor
Four feet in length with a five-inch wide velvet and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet indicates the field in which the doctoral was granted:

- Dentistry: Lilac
- Law: Purple
- Medicine: Green
- Musical Arts: Pink
- Optometry: Sea-foam Green
- Philosophy: Dark Blue
- Veterinary Medicine: Gray

* Not usually worn by candidates for a degree.

To Our New Alumni:

Welcome, a warm welcome, to the ranks of the alumni of The Ohio State University. Back in 1878 there were six alumni—new and untested. This small group has grown in 1972 to an alumni body of tens of thousands who have received degrees here, and our loyal Ohio State University Association has built the second largest organized constituency that exists among universities today.

The modern alumnus is a dedicated servant of education. The fruits of a good education—the critical mind, the discerning spirit, the higher values, the sense of commitment, and the privilege of service—are exemplified in tens of thousands of our products.

In a very real sense, the alumni are members of the family and full-fledged partners in the enterprise—in Ohio, in the nation, and throughout the world.

What can you do for the University? There seems to be general agreement on four major services which alumni can be counted on to render: 1) the ambassadorial service of representing Ohio State well wherever they go; 2) the service of strengthening Ohio State’s resources through participation in the Development Fund; 3) the recruiting service of well-qualified students to Ohio State; and 4) the advisory service of strengthening Ohio State’s role in society. A great university is composed of many diverse people and many diverse ideas; so is society as a whole—and our alumni are the people best able to provide the vital link between our campus and its environment. With your assistance, we cannot fail to meet this challenge.

The University extends to you a year’s free membership in the Association and with it will come automatically a subscription to THE MONTHLY, a magazine devoted to the task of helping you “keep in touch” with our exciting pursuit of human excellence.

Congratulations to you—and to your families and friends. You are joining a great family, for Ohio State is permanent among so many impermanencies. Your University is something to come back to—growing ever more rich and mellow in spirit.

Sincerely,

Dale B. Baker
President

Richard M. Mall
Director of Alumni Affairs

The Ohio State University Association

Summer’s heat or winter’s cold
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—Ohio.
