O come let's sing Ohio's praise
And songs to Alma Mater raise
While our hearts rebounding thrill
With joy which death alone can still;
Summer's heat and winter's cold
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—Ohio.

To Our New Alumni:

Welcome, a warm welcome, to the ranks of the alumni of The Ohio State University. Back in 1878 there were six alumni—new and untested. This small group has grown in 1968 to a body of more than 156,000 who have received degrees here, and our loyal Ohio State University Association has built the second largest organized constituency that exists among universities today.

The modern alumnus is a dedicated servant of education. The fruits of a good education—the critical mind, the discerning spirit, the higher values, the sense of commitment, and the privilege of service—are exemplified in tens of thousands of our products.

In a very real sense, the alumni are members of the family and full-fledged partners in the enterprise—in Ohio, in the nation, and throughout the world.

What can you do for the University? There seems to be general agreement on four major services which alumni can be counted on to render: 1) the ambassadorial service of representing Ohio State well wherever they go; 2) the service of strengthening Ohio State's resources through participation in the Development Fund; 3) the recruiting service of well-qualified students to Ohio State; and 4) the advisory service of strengthening Ohio State's role in society.

A great university is composed of many diverse people and many diverse ideas; so is society as a whole—and our alumni are the people best able to provide the vital link between our campus and its environment. With your assistance, we cannot fail to meet this challenge.

The University extends you a year's free membership in the Association and with it will come automatically a subscription to *THE MONTHLY*, a magazine devoted to the task of helping you "keep in touch" with our exciting pursuit of human excellence.

Congratulations to you—and to your families and friends. You are joining a great family, for Ohio State is permanent among so many impermanencies. Your University is something to come back to—growing ever more rich and mellow in spirit.

Sincerely,

WILLIAM E. KNEPPER
President

RICHARD M. MALL
Director of Alumni Affairs

The Ohio State University Association

*Summer's heat or winter's cold
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—Ohio!*
