

May 2024

Course Number Change

Astronomy

ASTRON

Autumn 2024 Semester

2142 **Black Holes**
U 3*Previous Number: 1142**Campus: COL LMA
MNS MRN NWK WST*

This course will tell the story of black holes: how they were conceived as theoretical ideas, how they might form from dying stars, how they were discovered, what roles they play in cosmic history, how they distort space and time, how they produce tiny but detectable gravitational wave signals, and some of the remaining mysteries they present to contemporary physics. If Math course is taken for the GEL, a level of 1050 or higher is required, or permission of instructor. For the GEL, students should consult with the course instructor or advisor to ensure adequate preparation for the course.

Prereq: GE foundation natural sci course, and Math 1050 or above; or permission of instructor. Not open to students with credit for 1142. GE nat sci phys course. GE theme number, nature, mind course.

Autumn 2024 Semester

2143 **Cosmology: History of the Universe**
U 3*Previous Number: 1143**Campus: COL LMA
MNS MRN NWK WST*

Description of the history of the universe from Big Bang to present; how observations led to discovery of this history.

Prereq: GE foundation natural sci course, and Math 1050 or above; or permission of instructor. Not open to students with credit for 1143, 1144, or 2292. GE nat sci phys course. GE theme number, nature, mind and origins and evolution course.

Biochemistry

BIOCHEM

Autumn 2024 Semester

7800.01 **Advanced Biochemistry: Biomolecular NMR***Previous Number:
8900.01*

G 1½

Application of NMR spectroscopy to the study of biological macromolecules. Proton and heteronuclear NMR, introduction to product operators, multidimensional spectra, proteins, nucleic acids, ligand complexes, structure determination, dynamics.

Prereq: Grad standing in Biochemistry, Biophysics or Chemistry, or permission of instructor. Not open to students with credit for 8900.01 or 8900.02.

Women's, Gender, and Sexuality Studies

WGSST

Autumn 2024 Semester

3612 **Asian American Women: Race, Sex, and Representations***Previous Number: 4401*

U 3

*Campus: COL LMA
MNS MRN NWK WST*

Examines the experiences and cultural representations of Asian American women for insight into race, gender, sexuality, and citizenship in U.S. and Asian societies.

Prereq: Not open to students with credit for 4401 or History 3612. GE historical study and diversity soc div in the US course. Cross-listed in History.

Course Subject Change

Classics

CLAS

Autumn 2024 Semester*Previous Subject: GREEK***7193 Individual Studies****G 1 - 9**

Assigned readings and topics relating to Classics to help graduate students with language requirements and to prepare for exams.

Au, Sp, Su Sems. Repeatable to a maximum of 36 cr hrs or 12 completions. This course is graded S/U.

New Course

African American and African Studies

AFAMAST

Autumn 2024 Semester**3084 Citizens Behind Bars: Black Leadership and the Politics of Liberation in African American History****U 3**

Every day more human beings are locked inside of jails, prisons, or secured facilities across the United States than in any other country on the planet. This course explores the history of citizenship in captivity and the legacy of liberatory movements led by incarcerated citizens in the US from the era of settler colonization and slavery to the present age of mass incarceration.

Prereq: Not open to students with credit for History 3084 or WGSSt 3084. GE theme citizenship for div and just wrld course. Cross-listed in History and WGSSt.

Agricultural Systems Management

AGSYSMT

Spring 2025 Semester**3585 Digital Agriculture****U 3**

Digital Agriculture provides an introduction and overview of the digital processes, digital analytics and visualization, utilization of large data sets (crop, animal, weather, environment, and capital assets) coupled with artificial intelligence tools to produce actionable information that will help to enhance the profitability and sustainability of agricultural production systems.

Prereq: HCS 2260, or AnimSci 2260, or AEDEcon 2005, or Stat 1450.01; or permission of instructor. Not open to students with credit for AgSysMt 2580, 3586, HCS 3585, or 3586. GE theme sustainability course. Cross-listed in HCS.

Spring 2025 Semester**3586 Digital Agriculture with Laboratory****U 4**

Digital Agriculture with laboratory provides an overview of the emergence of data-driven processes, digital analytics and visualization, utilization of large data sets (crop, animal, weather, environment, and capital assets) coupled with artificial intelligence tools to produce actionable information that will help to enhance the profitability and sustainability of agricultural production systems.

Prereq: HCS 2260, or AnimSci 2260, or AEDEcon 2005, or Stat 1450. Not open to students with credit for 2580, 3585, HCS 3585, or 3586. GE theme sustainability course, High-Impact Practice Interdisciplinary and Integrated Collaborative Teaching. Cross-listed in HCS.

Dental Hygiene

DENTHYG

Autumn 2024 Semester**3860 Critical Appraisal and Analysis of Evidence****U 3**

This course covers the application of evidence-based practice and foundational research concepts. Includes the identification of various types of research, research problems, literature analysis, and research methodology.

Prerequisites include admission to the BDCP. This course will contain asynchronous class sessions.

Prereq: Admission to BDCP major.

Autumn 2024 Semester**3870 Current Concepts in Dental Care Delivery Models****U 3**

Expand the dental hygienists' knowledge in the development of management skills in the evolving dental care delivery model.

Prereq: Admission to the RDH-BS program.

Autumn 2024 Semester**3880 Principles of Interprofessional Practice in Dental Care Delivery Systems****U 3**

Provides an in-depth exploration of the principles and practices of interprofessional collaboration of dental healthcare.

Prereq: Admission to RDH-BS program.

Autumn 2024 Semester**4860 Advanced Dental Hygiene Science****U 3**

This course covers the application of evidence-based dental hygiene practice. Content will focus on evidence based clinical care and associated technologies and advancements in dental hygiene.

Prereq: Admission to the RDH-BS program.

Autumn 2024 Semester**4870 Leadership in Profession of Dental Hygiene****U 3**

This course will cover the fundamental skills required for effective leadership in a dental healthcare setting. The course explores leadership skills and styles, relationship building, conflict resolution, personal accountability and leadership through change. Students discuss the core theory and concepts of leadership and the principles of organizational change.

Prereq: Admission to the RDH-BS program.

Autumn 2024 Semester**4880 DENTAL PUBLIC HEALTH AND THE ROLE OF THE DENTAL HYGIENIST****U 3**

Provide the dental hygiene student with knowledge as to their role in the community and an understanding of the basic principles of public health within the profession of dentistry.

Prereq: Admission to UDHY or RDH-BS major.

Evolution, Ecology and Organismal Biology**EEOB****Autumn 2024 Semester****3310.20 Evolution (Hybrid Lecture)****U 3**

This course surveys the many processes that underlie biological evolution and illustrates the patterns they generate, with a focus on adaptation, types of selection, population genetics, species interactions and biodiversity. This course is presented in a hybrid online format.

Prereq: Biology 1114.01 or 1114H; or permission of instructor. Not open for students with credit in 3310.01 or 3310.02.

Autumn 2024 Semester**3310.22 Evolution (Laboratory)****U 1**

This course surveys the many processes that underlie biological evolution and illustrates the patterns they generate, with a focus on adaptation, types of selection, population genetics, species interactions and biodiversity. This course is a laboratory course intended to be taken concurrently with EEOB 3310.20 or by students with credit in EEOB 3310.20.

Prereq or concur: 3310.20. Not open to students with credit for 3310.01 or 3310.02.

Educational Studies: Counselor Education**ESCE**

Summer 2024 Term

8500 Advanced Social Justice Counseling Theory and Supervision

G 3

How new counselors are inducted into the profession depends, in large part, on the supervision that they receive around the theories they use in their counseling praxis. This course will provide exposure and practice with theories of counseling and supervision to enable counseling professionals to foster the development of future counselors.

Prereq: MA in Counselor Education/admission to Counselor Education Program New Course

Educational Studies: Educational Administration

ESEADM

Autumn 2024 Semester

8355 Community-Centered Urban Schooling; Implications for Leadership Practice

G 3

This course will examine these aspects of how schools and school leaders engage diverse students and families; it looks at the context of schools and the communities where schools exist and where students come from. It will also examine the historical relationship between schools and communities and better alternatives, and how social, cultural, linguistic, and economic factors influence the relationship.

Summer 2024 Term

8500 Advanced Social Justice Counseling Theory and Supervision

G 3

Autumn 2024 Semester

8410 History of Urban Education; Current Implications for Practice

G 3

This course is intended to develop a thorough understanding of key issues related to reform in Ohio's urban contexts. This course will cover historical perspectives of urban schools, and the current impact on schools and surrounding spaces. The course looks at policies that significantly impacted the once most industrial city in the world.

Prereq: MA in Counselor Education/admission to Counselor Education Program New Course

Autumn 2024 Semester

8650 Theoretical Foundations and Practices of Urban Educational Leadership

G 3

This course will examine theories relevant for urban educational leaders. It looks at the early theories in education that have impacted the formulation of education in urban schools. It also covers relevant philosophies and theories that have influenced the educational of urban students, and in particular minoritized urban students.

Educational Studies: Educational Policy

ESEPOL

Autumn 2024 Semester

5225 Disability and Education Policy

U G 3

Students in this course will examine disability and special education policies at local, state, national, and international levels, considering impacts on students, families, educators, and broader communities. Via discussion, debate, writing, and a final project, students will critically analyze successes, trends, and issues from various perspectives, with a focus on equity.

Horticulture and Crop Science

HCS

Spring 2025 Semester

3585 Digital Agriculture

U 3

Digital Agriculture provides an introduction and overview of the digital processes, digital analytics and visualization, utilization of large data sets (crop, animal, weather, environment, and capital assets) coupled with artificial intelligence tools to produce actionable information that will help to enhance the profitability and sustainability of agricultural production systems.

Prereq: HCS 2260, or AnimSci 2260, or AEDEcon 2005, or Stat 1450.01; or permission of instructor. Not open to students with credit for AgSysMt 2580, 3585, 3586, or HCS 3586. GE theme sustainability course. Cross-listed in AgSysMt.

Spring 2025 Semester

3586 Digital Agriculture with Laboratory

U 4

Digital Agriculture with laboratory provides an overview of the emergence of data-driven processes, digital analytics and visualization, utilization of large data sets (crop, animal, weather, environment, and capital assets) coupled with artificial intelligence tools to produce actionable information that will help to enhance the profitability and sustainability of agricultural production systems.

Prereq: 2260, or AnimSci 2260 or AEDEcon 2005, or Stat 1450. Not open to students with credit for 3585, AgSysMt 2580, 3585, or 3586. GE theme sustainability course, High-Impact Practice Interdisciplinary and Integrated Collaborative Teaching. Cross-listed in AgSysMt.

History

HISTORY

Autumn 2024 Semester

3084 Citizens Behind Bars: Black Leadership and the Politics of Liberation in African American History

U 3

Every day more human beings are locked inside of jails, prisons, or secured facilities across the United States than in any other country on the planet. This course explores the history of citizenship in captivity and the legacy of liberatory movements led by incarcerated citizens in the US from the era of settler colonization and slavery to the present age of mass incarceration.

Not open to students with credit for AfAmASt 3084 or WGSSt 3084. GE theme citizenship for div and just wrld course. Cross-listed in AfAmASt or WGSSt.

Music

MUSIC

Autumn 2024 Semester

2201.35 Applied Lessons - Guitar

U 2

Applied one-on-one instruction in classical guitar. Students receive weekly lessons and participate in studio instruction.

Prereq: Music major. Repeatable to a maximum of 6 cr hrs.

Autumn 2024 Semester

2245 American Musical Intersections

U 3

In this course, you receive a foundational examination of race, ethnicity, and gender diversity through examples of American music and musicians.

GE foundation race, ethnicity and gender div course.

Autumn 2024 Semester

2471 Introduction to Music Therapy

U 3

This course is designed to provide students with an overview of the field of music therapy. Students will explore the theoretical and practical aspects of music therapy, including its history, principles, techniques, and applications.

Nursing

NURSING

Autumn 2024 Semester

7349 Assessment and Management of Adult Mental Health Issues

G 3

This course addresses the application of psychiatric mental health principles and theories regarding evidence-based clinical management related to adult mental health screening, early intervention and mental health promotion. Successful completion of an advanced health assessment course is required.

Prereq: Enrollment in M.S. in Nursing or DNP program; or permission of instructor.

Pharmacy

PHR

Autumn 2024 Semester**7291 Teaching Assistant Experience****P** ½ - 8

PharmD students enrolled in PHR 7921 Teaching Assistant Experience will serve as teaching assistants for a College of Pharmacy course. Each student will be assigned to one section of the course for which they will assist the faculty with various activities such as instruction, course material development, and/or grading. Prereq: Enrollment in the PharmD program. This course is graded S/U.

Public Health: Health Services Management & Policy**PUBHHMP****Autumn 2024 Semester****7687 Health Equity, Policy and Advocacy****G** 3

This is a service-learning course in which students conduct statutory and regulatory research, literature reviews, and legal epidemiology research. Students will learn how this work can be used for advocacy. Prereq: 7605, 6558/7558; or permission of instructor. Cross-listed in Law 8804.

Respiratory Therapy**RESPTHR****Autumn 2024 Semester****7810 Advanced Practice in Respiratory Care II****G** 3

Case study approach of theories, procedures and equipment in advanced respiratory care. Integrates critical diagnostic thinking, systems and evidence-based medicine for treatment of patients with respiratory compromise. This course focuses on acute care diagnostics and treatment. Prereq: 7800.

Statistics**STAT****Autumn 2024 Semester****5731 Introduction to R for Data Science I: Basic R****U G** 1

The first course in a sequence designed for teaching students how to use R effectively for doing data science. This course introduces the basic flow and focuses on basic usage of important tools in R for visualization, transformation, and organization of data. Prereq: 1350, 1350.01, 1350.02, 1430, 1430.01, 1430.02, 1450, 1450.01, 1450.02, 1550, 2450, 2450.01, 2450.02, 2480, 2480.01, 2480.02, 3201, 3202, 3450, 3450.01, 3450.02, 3460, 3470, 3470.01, 3470.02, 4202, 5301, or 5302, or equiv., or graduate standing, or permission of instructor. Not open to students with credit for Stat 5730.

Autumn 2024 Semester**5732 Introduction to R for Data Science II: Intermediate R****U G** 1

The second course in a sequence designed for teaching students how to use R effectively for doing data science. This course dives deeper into tools in R at an intermediate level that is beneficial for complex projects and analyses, as well as fundamental programming concepts including basic and special data types, functions, and iteration. Prereq: 5731; or permission of the instructor. Not open to students with credit for Stat 5730.

Veterinary Preventive Medicine**VETPREV****Autumn 2024 Semester****6000 Navigating Graduate School****G** 1

This course is designed to introduce students to skills and resources for effectively navigating graduate school and professional pursuits beyond graduate school. This course is graded S/U.

Women's, Gender, and Sexuality Studies**WGSST**

Autumn 2024 Semester**3084 Citizens Behind Bars: Black Leadership and the Politics of Liberation in African American History****U 3**

Every day more human beings are locked inside of jails, prisons, or secured facilities across the United States than in any other country on the planet. This course explores the history of citizenship in captivity and the legacy of liberatory movements led by incarcerated citizens in the US from the era of settler colonization and slavery to the present age of mass incarceration.

Prereq: Not open to students with credit for AfAmASt 3084 or History 3084. GE theme citizenship for div and just wrld course. Cross-listed in AfAmASt and History.

Remove from Limbo

Chemistry**CHEM****Autumn 2024 Semester****8896 Departmental Seminar****G 1**

Seminars on topics of interest in chemistry and biochemistry.
Repeatable to a maximum of 14 cr hrs. This course is graded S/U.

Consumer Sciences: Fashion and Retail Studies**CSFRST****Autumn 2024 Semester****5555 Management Consulting for Hospitality and Fashion Retail Operations****U G 3**

A conceptual foundation, discussion, and application of management consulting in the hospitality and retail industries.

Prereq: Jr or Sr standing; or Grad standing. Cross-listed in CSHspMg.

History**HISTORY****Autumn 2024 Semester****3252 People on the Move: Migration in Modern Europe****U 3**

Study of migration movements in Europe from the age of industrialization to the present.

Prereq: English 1110.xx and any History 2000-level course, or permission of instructor. GE historical study and diversity global studies course.

Industrial and Systems Engineering**ISE****Autumn 2024 Semester****5820 Systems Thinking in Engineering and Design****U G 3**

Concepts and heuristics in systems thinking and complex systems analysis and how these concepts apply to engineering and design projects.

Prereq: Sr or Grad standing, or permission of instructor. Not open to students with credit for 688.

Music**MUSIC****Spring 2025 Semester****8818 Theories of Heinrich Schenker****G 3**

Musical structural analysis of Schenker as expressed in his own writings with emphasis on his theories rather than on graphing techniques.

Prereq: 5621 (621), 5622 (622), or 5623 (623). Not open to students with credit for 818.01 or 818.02.

Philosophy**PHILOS**

Spring 2025 Semester

5600 Advanced Philosophy of Language

U G 3

Basic problems and results in the philosophy of language, concentrating on theories of reference, theories of meaning, and theories of language-use (including speech-acts, implicature). Preferable to have credit for 3600 prior to enrollment.

Prereq: 2500, and 6 cr hrs in Philos at or above 3000-level; or Grad standing in Philos; or permission of instructor.

Psychology

PSYCH

Autumn 2024 Semester

7695.01 Seminar in Clinical Psychology

G 1 - 3

Seminar in clinical psychology.

Prereq: Permission of instructor. Repeatable to a maximum of 15 cr hrs or 5 completions.

Sociology

SOCIOL

Autumn 2024 Semester

4609 Neighborhoods and Crime

U 3

Exploration of the social distribution of crime, with attention to the patterns and sources of neighborhood crime, and the impact of crime on fear of crime and on neighborhood decline.

Prereq: Jr or Sr standing; or permission of instructor, or department.

Update Course

Agricultural, Environmental, and Dev Economics

AEDECON

Autumn 2024 Semester

6500 Foundations of Data-Driven Sustainable Energy Systems

G 3

Introduction to issues impacting sustainable energy systems across technology, law and policy, business models, resilience, data, geospatial, and decision sciences.

Prereq: Not open to students with credit for EnvEng 6020, FABEng 6020, Geog 6020, ISE 6020, or PubAfrs 6020. Cross-listed in EnvEng 6020, FABEng 6020, Geog 6020, ISE 6020, and PubAfrs 6020.

Aerospace Engineering

AEROENG

Autumn 2024 Semester

4515 Design of Atmospheric Flight Vehicles I

U 3

Conceptual and preliminary design, methodology, case studies, introduction of design software, group planning for subsequent design effort: design of atmospheric flight vehicles and components.

Prereq: 3543, 3570, 3521 and 3580; and Sr standing; and enrollment as AeroEng-BS student. Prereq or concur: 4550.

Autumn 2024 Semester

4516 Design of Atmospheric Flight Vehicles II

U 3

Continuation of 4515. Preliminary and detailed design of aerospace vehicle components: design of a vehicle for atmospheric flight.

Prereq: 4515, and enrollment as AeroEng-BS student.

Autumn 2024 Semester**4517 Design of Space Vehicles and Systems I****U 3**

Feasibility study of a space mission, elements of mission design and design methodologies of spacecraft subsystems, and preliminary sizing.

Prereq: 3521, 3543, 3570 and 3580; and Sr standing; and enrollment as AeroEng-BS student. Prereq or concur: 4550.

Autumn 2024 Semester**4518 Design of Space Vehicles and Systems II****U 3**

Continuation of 4517: Preliminary and detailed design of space vehicle components. Design of a space vehicle/system, and mission scenarios simulation via computer software.

Components: LEC LAB

Prereq: 4517; and enrollment as AeroEng-BS student.

Arabic**ARABIC****Autumn 2024 Semester****1101.02 Elementary Modern Standard Arabic I: Intensive****U 4**

Developing the ability to use Arabic functionally and communicatively in context: intensive oral interaction with instructor and fellow students; the basics of the writing system. Intensive track. Not open to native speakers of Arabic through regular course enrollment, transfer, or EM credit.

Prereq: Permission of department. Concur: 1102.02. Not open to students with credit for 1101.01, or 4 credit hours of 1101.51. This course is available for EM credit. GE for lang course. GE world languages course.

Autumn 2024 Semester**1102.02 Elementary Modern Standard Arabic II: Intensive****U 4**

Developing further language ability through learning how to perform certain functions orally and using them with fellow students; reading and writing passages reflecting their abilities. Intensive track. Not open to native speakers of Arabic through regular course enrollment, transfer, or EM credit.

Prereq: Permission of department. Concur: 1101.02. Not open to students with credit for 1102.01 or 4 cr hrs of 1102.51. This course is available for EM credit. GE for lang course. GE world languages course.

Autumn 2024 Semester**1103.02 Intermediate Modern Standard Arabic I: Intensive****U 4**

Building on previously acquired functional abilities; using Arabic to express opinion and feelings; increased oral interaction in the classroom; reading simplified original texts. Intensive track. Not open to native speakers of Arabic through regular course enrollment, transfer, or EM credit.

Prereq: Permission of department. Concur: 2104.02. Not open to students with credit for 1103.01 or 4 cr hrs of 1103.51. This course is available for EM credit. GE for lang course. GE world languages course.

Autumn 2024 Semester**2104.02 Intermediate Modern Standard Arabic II: Intensive****U 5**

Initiating and sustaining communication; reading and understanding short original texts and passages; writing to express many language functions. Intensive track. Not open to native speakers of Arabic.

Prereq: Permission of department. Concur: 1103.02. Not open to students with credit for 2104.01.

Aviation**AVIATN****Autumn 2024 Semester****2400 Fundamentals in Unmanned Aircraft Systems****U 3***Campus: COL LMA WST*

This course introduces the student to Unmanned Aircraft Systems, aircraft aerodynamics and aircraft performance, meteorology, operating within the National Airspace System, regulations, and use-cases of UAS (unmanned aerial systems). This course also provides exposure on UAS career paths, an overview of the various hardware and software that are important to the UAS landscape, and human factors.

Business Admin**BUSADM**

Autumn 2024 Semester**3533 Entrepreneurship and Innovation: Technology Entrepreneurship****U 3**

Examine the innovative transformation of knowledge captured in scientific discoveries into conceptual, viable, commercial products and services.

Prereq: 3510, and Design 2700 and MechEng or ISE 5682.

Business Admin: Finance**BUSFIN****Autumn 2024 Semester****7215 Shark Tank Finance: Angel Investing, Venture Capital, and Startups****G 1½**

"Shark Tank Finance" is a dynamic and comprehensive course that delves into the world of angel investing, venture capital, and startups. Designed for aspiring entrepreneurs, investors, and business professionals, this course provides a deep dive into the strategies and techniques used in funding and growing startup ventures.

Prereq: MBA 6223, concur: BusFin 7210, 7220, or 7230; or enrollment in SMB-Finance program.

Business Admin: Management & Human Rsrcs**BUSMHR****Summer 2024 Term****4490 Strategic Management****U 3**

Introduction to the concepts and analytic tools in the field of strategic management to understand the competitive position of firms.

Prereq: BUSMHR 2000, 2292, 3200, and BUSOBA 2320, 2321, 3230, and BusFIN 3500, 3220, and BusML 3250, 3380, and Sr standing in Business Administration major program. Not open to students in UUSS, UEXP, or PREBSBA-PR.

Business Admin: Operations and Business Analytics**BUSOBA****Autumn 2024 Semester****3331 Business Analytics: Data Management and Descriptive Analysis****U 3**

Understand how organizations can successfully collect, organize, manipulate, use and present data.

Prereq: Econ 2001.01, and 2002.01, or equiv; and CSE 2111, or equiv; and Prereq or concur: Math 1152 or equiv.

Comparative Studies**COMPSTD****Autumn 2024 Semester****2350 Introduction to Folklore****U 3**

A general study of the field of folklore including basic approaches and a survey of primary folk materials: folktales, legends, folksongs, ballads, and folk beliefs.

Prereq: GE foundation writing and info literacy course. Not open to students with credit for 2350H, English 2270, or 2270H. GE cultures and ideas course. GE foundation historical and cultural studies and race, ethnicity and gender div course. Cross-listed in English 2270.

Autumn 2024 Semester**2367.02 U.S. Latino Identity****U 3**

Latino/a identity in the U.S.: emphasis on Latino/a cultural history and expression and on role of race, class, gender, and sexuality in identity construction. GEL students should complete English 1110 prior to enrollment. GE writing and comm: level 2 and diversity soc div in the US course. GE foundation writing and info literacy course.

Autumn 2024 Semester

2367.04 Science and Technology in American Culture

U 3

Role of science and technology in contemporary American society; their relationship to human values; sources of concern about their impact; evaluation of selected issues. GEL students should complete English 1110 prior to enrollment.

Prereq: Not open to students with credit for 2367.04H. GE writing and comm: level 2 and cultures and ideas and diversity soc div in the US course. GE foundation writing and info literacy and historical and cultural studies course.

Autumn 2024 Semester

2367.04H Science and Technology in American Culture

U 3

Role of science and technology in contemporary American society; their relationship to human values; sources of concern about their impact; evaluation of selected issues. GEL students should complete English 1110 prior to enrollment.

Prereq: Honors standing. Not open to students with credit for 2367.04. GE writing and comm: level 2 and cultures and ideas and diversity soc div in the US course. GE foundation writing and info literacy and historical and cultural studies course.

Autumn 2024 Semester

2367.07 Religious Diversity in America

U 3

Exploration of the concept of religious freedom and the position of minority religious groups in American society. GEL students should complete English 1110 prior to enrollment.

GE writing and comm: level 2 and cultures and ideas and diversity soc div in the US course. GE foundation writing and info literacy and historical and cultural studies course.

Autumn 2024 Semester

2367.08 American Identity in the World

U 3

American culture viewed from inside and from the perspective of foreign cultures, as seen in literature, film, art, music, journalism, folklore, and popular culture. GEL students should complete English 1110 prior to enrollment.

Prereq: Not open to students with credit for 2367.08H. GE writing and comm: level 2 and cultures and ideas and diversity soc div in the US course. GE foundation writing and info literacy and historical and cultural studies course.

Autumn 2024 Semester

2367.08H American Identity in the World

U 3

American culture viewed from inside and from the perspective of foreign cultures, as seen in literature, film, art, music, journalism, folklore, and popular culture. GEL students should complete English 1110 prior to enrollment.

Prereq: Honors standing. Not open to students with credit for 2367.08. GE writing and comm: level 2 and cultures and ideas and diversity soc div in the US course. GE foundation writing and info literacy and historical and cultural studies course.

Computer Science and Engineering

CSE

Autumn 2024 Semester

5891 Proseminar in Cognitive Science

U G 2

Provides an in-depth examination of cognitive science from an interdisciplinary perspective.

Prereq: Permission of instructor. Repeatable to a maximum of 4 cr hrs. Cross-listed in Ling, Philos, Psych, and SphHrng.

Consumer Sciences: Fashion and Retail Studies

CSFRST

Autumn 2024 Semester

3330 Corporate Social Responsibility, Sustainability & Entrepreneurship in Fashion & Hospitality Indus

U 3

Examination of corporate socially responsible and sustainable decision-making and regulatory processes used in advertising and promoting fashion retail and hospitality products and services.

Cross-listed in CSHspMg.

Autumn 2024 Semester**3950 Use of Social Media and IT in Fashion, Hospitality, and Sport Industries****U 3**

An application and discussion of social media and information technology strategies in fashion, sport, and hospitality industries.

Cross-listed in CSHspMg.

Autumn 2024 Semester**4680 Strategic Management in Fashion & Hospitality Industries****U 3**

Discussion, development and application of strategic management in fashion and hospitality industries.

Prereq: Jr or Sr standing. Cross-listed in CSHspMg.

Consumer Sciences: Hospitality Management**CSHSPMG****Autumn 2024 Semester****2700 Principles of Food Production Management****U 3**

Application of scientific food preparation and management principles to quantity food production in a commercial establishment.

Prereq: 2600 or 1600 (230), or enrollment in Culinary Science major. Concur: 2710.

Autumn 2024 Semester**2710 Principles of Food Production Management Laboratory****U 1**

Applying scientific food preparation principles to quantity food production in a laboratory setting.

Concur: 2700.

Autumn 2024 Semester**2800 Hotel Management****U 3**

An examination of the lodging firm as an operating entity, including structure, management strategies, functional departments, related financial reports and revenue management.

Prereq or concur: 2600 (1600).

Autumn 2024 Semester**2810 Hotel Management Practicum****U 1**

Provide exposure to the lodging/hotel sector via experiences in Front of the House and Heart of the House in a real operating environment.

Autumn 2024 Semester**2990 Professional Development****U 1**

The professional: overview of the internship and job search process, networking, involvement in professional development organizations and continued development.

This course is graded S/U.

Autumn 2024 Semester**3330 Corporate Social Responsibility, Sustainability & Entrepreneurship in Fashion & Hospitality Indus****U 3**

Examination of corporate socially responsible and sustainable decision-making and regulatory processes used in advertising and promoting fashion retail and hospitality products and services.

Cross-listed in CSFRSt.

Autumn 2024 Semester**3700 Controlling Food, Beverage, and Labor Costs****U 3**

Course will demonstrate effective and efficient controls of prime costs in a foodservice operation without sacrificing quality and good customer service.

Autumn 2024 Semester**3720 Food Service Management****U 3**

Identification of the crucial elements involved in the successful operation of a foodservice enterprise and demonstrate their inter-relationships. Special emphasis will be on customer service and employee development.

Autumn 2024 Semester**3730 Food Service Management Practicum****U 1**

Application of customer service and restaurant management responsibilities in a real operating foodservice environment.

Autumn 2024 Semester**3950 Use of Social Media and IT in Fashion, Hospitality, and Sport Industries****U 3**

An application and discussion of social media and information technology strategies in fashion, sport, and hospitality industries.
Cross-listed in CSFRSt.

Autumn 2024 Semester**4610 Beverage Management****U 3**

A discussion of the varieties, merchandising and management control of alcoholic and non-alcoholic beverages served in the hospitality industry.

Autumn 2024 Semester**4650 Human Resources in the Hospitality Industry****U 3**

Advanced management skills in specific application to the many facets of the Hospitality Industry with a focus on Hospitality Organizational structure and behavior and human resource management.

Autumn 2024 Semester**4680 Strategic Management in Fashion & Hospitality Industries****U 3**

Discussion, development and application of strategic management in fashion and hospitality industries.
Prereq: Jr or Sr standing. Cross-listed in CSFRSt.

Autumn 2024 Semester**5555 Management Consulting for Hospitality and Fashion Retail Operations****U G 3**

A conceptual foundation, discussion, and application of management consulting in the hospitality and retail industries.

Prereq: Jr or Sr standing; or Grad standing. Cross-listed in CSFRSt.

Autumn 2024 Semester**5640 Marketing in Hospitality Enterprises****U G 3**

Designed to provide students with an intellectual and hands-on understanding of the key hospitality marketing and hospitality entrepreneurship.

Prereq: Jr or Sr standing; or Grad standing.

Autumn 2024 Semester**5820 Revenue Management in the Hospitality Industry****U G 3**

An examination of the hotel revenue management practices including: pricing, occupancy management, cost-profit-volume analysis and forecasting.

Prereq: Jr or Sr standing; or Grad standing.

Dance**DANCE**

Autumn 2024 Semester**2367 Writing About Dance****U 3**

Provides an opportunity to view, discuss, read, think and write about contemporary dance through the practice of criticism. GEL students should complete English 1110 prior to enrollment.

GE writing and comm course: level 2. GE foundation writing and info literacy course.

Autumn 2024 Semester**2367H Honors Writing About Dance****U 3**

Provides a rigorous opportunity to view, discuss, read, think and write about contemporary dance and its history through the study and practice of criticism. GEL students should complete English 1110 prior to enrollment.

Prereq: Honors standing, and GPA 3.4 or above. GE foundation writing and info literacy course.

Design**DESIGN****Autumn 2024 Semester****2110 Design Fundamentals I****U 3**

Introduction to form, organizational structures and problem solving in the context of basic 2D design.
Concur: 2310.

*Campus: COL [NWK](#)***Autumn 2024 Semester****2310 Visual Principles and Techniques I****U 3**

Skill building in using drawing to observe, see, record and communicate characteristics of subjects, objects, information, environments, experiences and interactions.
Concur: 2110.

*Campus: COL [NWK](#)***Electrical and Computer Engineering****ECE****Autumn 2024 Semester****2360 Electronics for CSE majors****U 3**

Electronics course for CSE majors. Circuit analysis and design around embedded systems.

Prereq: Engr 1182.01, 1182.02, 1182.03, 1282.01H, 1282.02H, 1282.03H, or 1282.04H, or 1186 and 1187 and 1188 concurrent; and Math 1152, 1161.01, 1161.02, 1172, or 1181H; and Physics 1250 or 1260; and CPHR 2.00 or above; and enrollment in CSE major. Not open to students with credit for 2020 or 2300.

*Campus: COL [MRN](#)***Economics****ECON****Autumn 2024 Semester****5410 Econometrics I****U G 3**

The general linear regression model; multiple correlation, path analysis, analysis of variance and tests of significance; specification errors.

Prereq: 4001.01, 4001.02, or 4001.03, and Stat 2450, 4201, 4202, or 3470, or equiv. Not open to students with credit for 4400.

English**ENGLISH****Autumn 2024 Semester****2270 Introduction to Folklore****U 3**

A general study of the field of folklore including basic approaches and a survey of primary folk materials: folktales, legends, folksongs, ballads, and folk beliefs.

Prereq: GE foundation writing and info literacy course. Not open to students with credit for 2270H, CompStd 2350, or 2350H. GE cultures and ideas course. GE foundation historical and cultural studies and race, ethnicity and gender div course. Cross-listed in CompStd 2350.

Autumn 2024 Semester

2367.02 Literature in the U.S. Experience

U 3

Discussion & practice of the conventions, practices, & expectations of scholarly reading of literature & expository writing on issues relating to diversity within the U.S. experience. Only one 2367 decimal subdivision may be taken for credit.

Prereq: 1110.01, or GE foundation writing and info literacy course; or EM credit for 1110.01 or equiv. Not open to students with credit for 2367.01, or equiv. GE writing and comm: level 2 and lit (BS only) and diversity soc div in the US course.

Autumn 2024 Semester

2367.02H Literature in the U.S. Experience

U 3

Discussion & practice of the conventions, practices, & expectations of scholarly reading of literature & expository writing on issues relating to diversity within the U.S. experience. Only one 2367 decimal subdivision may be taken for credit.

Prereq: Honors standing; and 1110.01, or GE foundation writing and info literacy course; or permission of instructor. Not open to students with credit for 2367.01. GE writing and comm: level 2 and lit (BS only) and diversity soc div in the US course.

Film Studies

FILMSTD

Autumn 2024 Semester

2367.01 The American Film Auteur

U 3

An intermediate course centering around the work of one important US filmmaker that extends and refines expository writing and analytic reading / viewing skills. GEL students should complete English 1110 prior to enrollment.

Repeatable to a maximum of 6 cr hrs. GE writing and comm course: level 2. GE foundation writing and info literacy course.

Autumn 2024 Semester

2367.02 The American Film Genre

U 3

An intermediate course centering around the works of one important US film genre that extends and refines expository writing and analytic reading / viewing skills. GEL students should complete English 1110 prior to enrollment.

Repeatable to a maximum of 6 cr hrs. GE writing and comm course: level 2. GE foundation writing and info literacy course.

Geography

GEOG

Autumn 2024 Semester

6020 Foundations of Data-Driven Sustainable Energy Systems

G 3

Introduction to issues impacting sustainable energy systems across technology, law and policy, business models, resilience, data, geospatial, and decision sciences.

Prereq: Not open to students with credit for AEDEcon 6500, EnvEng 6020, FABEng 6020, ISE 6020, or PubAfrs 6020. Cross-listed in AEDEcon 6500, EnvEng 6020, FABEng 6020, ISE 6020, and PubAfrs 6020.

History

HISTORY

Autumn 2024 Semester

2001H Multiple Americas: US History from Colonialism to Reconstruction

U 3

An introduction to the history of what would become the United States, from the Colonial period to Reconstruction, with an emphasis on race, gender and ethnicity. Topics include colonization, the dispossession and enslavement of African and Native peoples, gender roles, immigration, the conquest and settlement of the Southwest, and the events that moved America both toward and away from equality.

Prereq: Honors standing. Not open to students with credit for 2001. GE historical study and diversity soc div in the US course. GE foundation historical and cultural studies and race, ethnicity and gender div course.

Autumn 2024 Semester

3612 Asian American Women: Race, Sex, & Representations
U 3

Examines the experiences and cultural representations of Asian American women for insight into race, gender, sexuality, and citizenship in U.S. society.

Prereq: Not open to students with credit for WGSSt 3612 or 4401. GE historical study and diversity soc div in the US course. Cross-listed in WGSSt.

Campus: COL LMA
MNS MRN NWK WST

Health and Rehabilitation Sciences

HTHRHSC

Autumn 2024 Semester

6795 Introduction to Graduate Studies
G 3

This class is designed to introduce new graduate students to the HRS graduate school and program through various means of the course. Students will be introduced to the necessary research skills to complete the HRS MS program.

Prereq: Admission to the HRS MS program.

Health and Wellness

HW

Autumn 2024 Semester

4300.01 HW Practicum I
U 5

Experiential practicum course that applies health promotion in a variety of settings.

Prereq: 2102, 2200, 2210, 2220, 2780, 3220, 3230, 3240, and 3490; and HFDS 2400; and HumnNtr 2210 or 2310; and Sociol 1101 and 3306; and BusMHR 2500; and enrollment in HW major.

Industrial and Systems Engineering

ISE

Autumn 2024 Semester

3210 Nonlinear and Dynamic Optimization
U 3

Introduction to nonlinear, dynamic, and network optimization models and solution techniques.

Prereq: 3200, and enrollment in ISE or Engineering Physics major.

Autumn 2024 Semester

5810 Lean Sigma Foundations
U G 4

Comprehensive foundation course that is required to complete Green and Black Belt Certification.

Prereq: Enrollment in MEM or MGEL; or permission of instructor. Not open to students with credit for 4120 in Autumn 2024 or beyond.

Autumn 2024 Semester

5813 Integrated Lean Six Sigma Capstone Certification Experience

U G 4

Capstone Senior Design alternative focusing on industry sponsored Lean Six Sigma DMAIC Certification Projects.

Prereq: 5810, or 4120; and permission of instructor.

Law

LAW

Autumn 2024 Semester

8804 Health Equity, Policy and Advocacy

L 3

Health Equity, Policy, and Advocacy is a service-learning course in which students work with organizations on state and federal health and equity policy initiatives.

Cross-listed PubHHMP 7687.

Nursing Practice

NRSRPT

U 3

Designed to enhance student's critical and analytical reading and writing skills through a study of current health issues in the United States.

GE writing and comm course: level 2. GE foundation writing and info literacy course.

Autumn 2024 Semester

3240 Population Health Local to Global

U 3

Study of the concepts of community health nursing, global health issues, policies and strategies that positively influence health outcomes local to global across individuals, communities, populations.

Prereq: 1100 or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, and 2781H or 2782; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program; or enrollment in the LPN to BSN Track; or permission of instructor.

Autumn 2024 Semester

3260 Nursing Care of Children and Their Families

U 4

Nursing knowledge and clinical practice essential to caring for children and their families.

Prereq: 1100 or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, and 2781H or 2782; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program; or enrollment in LPN to BSN Track; or enrollment in aBSN program; or permission of instructor.

Autumn 2024 Semester

3271 Nursing Care of Adults and Older Adults I

U 4

Nursing knowledge and clinical practice essential for the care of the adult and older adult with acute and chronic health alterations.

Prereq: 1100 or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, and 2781H or 2782; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program; or enrollment in LPN to BSN track; or permission of instructor.

Autumn 2024 Semester

3272 Nursing Care of Adults and Older Adults II

U 4

Nursing knowledge and clinical practice essential for the care of the adult and older adult experiencing acute and critical health alterations.

Prereq: 1100, or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, 2782, and 3271; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program; or permission of instructor.

Autumn 2024 Semester

3280 Nursing Care of Women and Families During Reproductive Transitions

U 4

Nursing knowledge and clinical practice essential to caring for women and their families during reproductive transitions.

Prereq: 1100 or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, and 2781H or 2782; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program, or enrollment in LPN to BSN track, or enrollment in aBSN program; or permission of instructor.

Autumn 2024 Semester

3460 Motivational Interviewing and Communication Strategies

U 1

This course will explore theoretical and evidence-based approaches to motivational interviewing which addresses behavior change to improve health outcomes.

Prereq: 1100 or 5115; and 2200, 2201, 2271, 2272, 2451, 2452, 2500, and 2781H or 2782; and Micrbio 4000.01, 4000.02, or 4010; and HumnNtr 2200, 2210, 2310, or 2410; and enrollment in BSN traditional program; or enrollment in LPN to BSN track; or permission of instructor.

Autumn 2024 Semester

7218.01 Advanced Nursing Practice in Pediatric Acute Care I

G 6

Application of advanced nursing knowledge and skills, including therapeutic medical and pharmacologic interventions, in the evidence-based evaluation and management of children with acute, chronic, complex, and critical medical conditions.

Prereq: 7330, 7450, and 7470.

Autumn 2024 Semester

7268.01 Advanced Practice Family Nurse Practitioner Clinical Practicum I

G 5 - 10

Focus on primary healthcare of individuals and families across the lifespan. Emphasis on knowledge and skills for patient-centered evidence-based practice, clinical reasoning/judgment for advanced practice nursing, health and wellness, and common pathological conditions.

Prereq: 7410, 7450, and 7470.

Autumn 2024 Semester

7308.01 Advanced Practice Nursing: Care of the High-Risk Neonate I

G 2 - 7

Application of theories, research findings, and interventions for advanced practice nurses in the care of neonates and their families, with a focus on high-risk deliveries. *Components: LEC CLN*

Prereq: 7302, 7305 and 7303.

Autumn 2024 Semester

7338.01 Advanced Nursing Practice in Pediatric Primary Care I

G 3 - 8

Application of theories, research findings, skills, and interventions including pharmacological management to advanced practice nursing in pediatric health promotion and preventive care.

Prereq: 7330, 7450, and 7470.

Autumn 2024 Semester

7348.01 Advanced Practice Psychiatric and Mental Health Nursing Clinical Practicum I

G 1 - 5

Application of advanced practice psychiatric and mental health nursing biopsychosocial interventions with individuals experiencing mental illness and chemical dependence.

Prereq: 7340, 7341, 7410, 7450, and 7470.

Autumn 2024 Semester**2367 Contemporary Social and Moral Problems in the U.S.****U 3**

An introductory philosophy course designed to develop your writing and information literacy skills through a careful examination of a contemporary matter of social and moral concern. GEL students should complete English 1110 prior to enrollment.

GE writing and comm course: level 2 and diversity soc div in the US course. GE foundation writing and info literacy course.

Autumn 2024 Semester**2400 Political and Social Philosophy****U 3**

Philosophical bases of social and political institutions and practices; analysis of such fundamental conceptions as rights, justice, equality, political obligation, and civil disobedience.

GE cultures and ideas course.

Public Health: Biostatistics**PUBHBIO****Autumn 2024 Semester****7220 Applied Generalized Linear Models in Public Health****G 3**

Introduce students to generalized linear models (GLMs) for categorical and discrete data and their application in clinical and public health research. The course is organized into 3 modules based on type of study outcome (binary, including logistic regression; multinomial; and count).

Prereq: 6211; or permission of instructor.

Public Health**PUBHLTH****Autumn 2024 Semester****2010 Critical Issues in Global Public Health****U 3**

Public health concepts examining the philosophy, purpose, history, organization, functions, and results of public health practices domestically and internationally. Presents the pressing global public health concerns of the 21st century.
