- **Students should confirm examination periods for classes with each instructor before making other commitments during finals week.** Instructors shall announce any approved deviation to the published final examination schedule (this document) during the first week of classes and make arrangements for students with exam conflicts created by such deviation.
- **Weekend classes** should have their final examinations on the last class meeting date in the regularly scheduled classroom.
- **All session (Four Week, Six Week and Eight Week)** exams should be held during the last class period.
- **Common final examinations** will be given as an exception to the listed schedule when approved by department chairpersons, deans, and the Scheduling Office. An announcement that a common final exam will be given shall be made in class during the first week of classes. **Departments who offer common exams must provide an alternate exam time and work to resolve conflicts generated by common examinations.** Common final examinations are restricted to the evening hours of 6:00 - 7:45 pm and 8:00 - 9:45. All requests for common finals should have college and departmental approval and be submitted in writing to the Scheduling Office by 3/24/23.
