

Independent Education Abroad Institution Approval Form

- Students should complete this form prior to enrolling in an independent education abroad program
- The Transfer Credit Center will determine if coursework can transfer from the listed institution. If the institution is approved, students should then have individual courses evaluated by the [Transfer Credit Coordinator](#) in the relevant academic department to determine if the courses will transfer as a direct Ohio State equivalent or special credit
- Students should consult their academic advisor to determine how study abroad coursework will fit into their degree program
- Credit earned through independent programs is awarded “K” credit – not native Ohio State course credit – and does not impact your Ohio State GPA. However, you must earn at least a C- for credit to be awarded
- Incoming course hours may need to be converted into OSU semester hours. This will be determined upon receipt of an official transcript

Student Name	Ohio State ID (9 digit number)	Ohio State name.#
College/University Attending	City & Country of Institution	Dates of Program
Abroad Provider Company (if applicable)	Program Website	Program Contact Email Address

Student Signature: _____ Date: _____
